

FATHER WOJCIECH TUREK

SUPERIOR OF THE REGION OF POLAND-UKRAINE (2021-2024)

The Superior General, Fr Valdir José De Castro, confirmed his appointment with a decree of 19 July 2021.

Fr Wojciech, 49, was born in Radymno (Poland) on 6 April 1972. He entered the Congregation in August 1991 in Masłońskie. Here he made his first profession on 8 September 1993, confirming it in perpetuity in Częstochowa on 8 September 1999. Ordained priest on 30 June 2000 in Warsaw, he dedicated himself for several years to the new translation of the Bible into Polish.

From 2006 to 2009, he was Regional Vicar. Subsequently, after the publication of the Bible in 2008, he moved to Warsaw, where he was Superior of that community for two terms (2009-2015). Continuing to deal with the Bible, he then undertook and completed his studies in Film Directing. One of the films made by Fr Wojciech, *Łucja w krainie realu* (“Łucja in the realm of reality”), was also the winner in the “Best Global Impact Award” category of the 9th *Move Me Productions* Film Festival of Belgium.

In the last three years, concomitant with his service as Regional Superior, he has continued to deal with cinematography with the production of a new documentary. He is currently a member of the Media Committee of the Conference of Major Superiors (KWPZM).

Our best wishes to Fr Wojciech for a fruitful service of this second mandate, for the benefit of the Poland-Ukraine Region and the whole Congregation.
