

CHRISTMAS 2021

*“Behold, the virgin shall be with child and bear a son,
and they shall name him Emmanuel,
which means God is with us”.*
(Mt 1:23; cf. Is 7:14)

Dear brothers,

The certainty that God is with us and that he loves us without measure, as he reveals to us in the mystery of the Incarnation, bring us serenity and joy.

In the encounter with the Child Jesus – the “incarnate” love of God! – let us allow ourselves to be transformed, renewing our way of thinking (cf. Rm 12:2), to be builders of a reconciled and fraternal world, despite the adversities of life.

May this Love dwell in our hearts during all the days of the approaching New Year, and make us true “editors of God”, men of communication and artisans of communion.

A holy and happy Christmas of the Lord!
A New Year full of renewed hope!

Faternally,

Valdir José De Castro
