All Circumscription Superiors
Directors General of Apostolate
CAP-ESW Circumscriptions

Dear Confreres,

Greetings and best wishes from the Office of the CTIA, General House, Rome. The final documents cum action plan drawn up at the end of the Seminar on ***Pauline Mission among the people of different faiths and cultures; Challenges and opportunities*** held from 14 to 17 February 2017 at the SSP Provinciate, Bandra, Mumbai, was presented at the General Council meeting held here from 6 to 8 March 2017. The same was approved by the Council and thus making the documents and the proposed action plans mandatory for all circumscriptions of the CAP-ESW Region.

Herewith we are sending you copies of the approved document to all the Circumscription Superiors and the Directors General of the Apostolate of the CAP-ESW circumscriptions. As animators of the Circumscriptions and Coordinators of the apostolate in each of the circumscriptions, it shall be their primary responsibility to guarantee that the documents is made known to all the members of their respective circumscriptions and appropriate and timely measures are taken to implement them with the stipulated time. If sufficient attention and care is not given for its implementation by those responsible, we can be sure that the efforts, time, money, energy spent for the seminar can become a colossal waste.

It is decided that an evaluation process will be carried out by CTIA towards the end of June 2017 so as to make sure that sufficient and serious efforts have been put in by all concerned for its implementation. CTIA wishes to thank all the participants of the seminar, the first of its kind, for their active participation in making it a great success and the Superior General and Members of the General Council for their encouragement and support and specially for their approval of the final documents cum action plan.

With fraternal wishes in St Paul,

Fr Jose Pottayil SSP
President, CTIA
