

Information No. 6

While the X General Chapter of the Society of St Paul proceeded with its works of drafting the Final Document, together with its priorities and corresponding operative guidelines, on Monday, 10th February, the Chapter Members celebrated the Eucharist for two particular intentions. They expressed profound gratitude to the Congregation of the Pious Disciples of the Divine Master who today celebrate their Foundation Day *dies natalis* (10 Feb. 1924), and for our beloved deceased Superior General Fr Silvio Sassi. He exhorted us to become the instruments of evangelization after the example of the Apostle of the Gentiles so that we open new ways to proclaim the Word of God which can spread in today's world.

On this dedicated day when we celebrate the Memorial of St Scholastica and of the Venerable Mother Scholastica Rivata, the First Mother *Prima Madre* of the Pious Disciples of the Divine Master, we want to sincerely thank all sisters for their care and attentions to all us, in a particular manner to the elderly and the sick members. We also thank them for their daily prayers and the offerings for the entire Pauline Family.

The Information Secretary
Fr Agatino Gugliara
