

Day -3: 18th Provincial Chapter

Day three of the 18th Provincial Chapter began with the Eucharistic celebration presided over by Fr Francis Dalmet. Fr Thomas Mangamthanathu presented the second day's report, and the assembly passed the same.

The day's session began with the Provincial's report of the province from 2017-2021.

After the presentation of the Provincial's report, the forum was opened for further discussion.

The general observation of the chapter members on the report was that it needs to be shortened significantly and adhere to the required format defined by the general government.

Fr Provincial informed the assembly that the report will be shortened. Further, the assembly felt that the report on vocation promotion and formation needs to be modified. The members also discussed various aspects of formation in our province. The assembly appreciated the activities of the Pauline Spirituality Centre and the need to make maximum use of the resources available. The delegates also deliberated on the report of the apostolic sector, and its various aspects.

The day's proceedings concluded with the Eucharistic Adoration led by Br Richard Vallikkaattuparambil.
