

MESSAGE OF THE SUPERIOR GENERAL
ON THE OCCASION OF THE 103RD ANNIVERSARY
OF THE FOUNDATION OF THE SOCIETY OF ST PAUL

Dear brothers,

On the occasion of the 103rd anniversary of the foundation of the Society of St Paul and of the beginning of the Pauline Family, I join each of you in giving thanks to God, with confidence and joy, for the numerous benefits received from Him in this long history.

On this journey, we recall also the Association of Pauline Cooperators which celebrates its Centenary of existence. We thank God for the lives of the Cooperators, who infused by the Pauline spirit, seek to give the world their testimony of the Gospel.

United to the entire Pauline Family and engaged in evangelization with the different languages of communication, everyone can hear the stimulating words of the Founder, Blessed James Alberione: «Go ahead with courage! There will be days lit by the sun, but there will be even cloudy days ... We take advantage of one and the other. We take advantage of the same temptations, be it an awakening, a recall: the Lord is with me».

Faternally,

FR. VALDIR JOSÉ DE CASTRO
Superior General
